Used eyeglasses are sent to the center from all parts of the eastern United States. Lions Clubs are the principal collectors of used eyeglasses but other organizations have become interested in this worthwhile project and have joined in collecting glasses. A number of school aged children have been working to collect glasses and enjoy being involved with this work. The glasses donated by Lions are 100% donations and are not done to fund other club activities.

The center needs to constantly replenish our supply of used eyeglasses. They appreciate each pair we receive and thank Lions Clubs that have supported this project.
